

Catechists needed in Grade 7

St. Philip needs YOU to help our seventh-graders grow closer to Christ. This is a team effort that includes two catechists to help our junior children encounter Jesus and help them decide to be his disciples. **Don't be afraid!** Call the PREP office, 847-446-8390 and learn more about bringing Christ to others!

Me? A Catechist?

YES you! Why not?

The Church needs parishioners of all ages, single or married, to help share the teachings and history of our faith.

St. Philip is looking for catechists to help next school year as lead teachers, aides and other volunteer roles. We need people who are creative, work with teams and want to show our young people that there is more than what the world offers.

Want to learn more? Call the PREP office at (847) 446-8390 for information.
